Ad Text Is here anyone from Glendale, Arizona? WE NEED YOU! HELP US to protect the memory of the victims of hate!

Last week on Friday, May Kieu and Dorothy Dutiel, both 15-year-old sophomores at Independence High School in Glendale, each died of a single gunshot wound about 8 a.m. just outside the school's cafeteria. The girls were a couple. Police are calling it a murder-suicide. This heart-breaking incident is all over the news and the comments are disgusting! Homophobes use the incident as a proof that homo love is a sin!

This is just ignorance! Two children died and people are grieving! How would you feel if strangers came to your neighborhood or your school to push their agenda? These assholes are just aggravating the situation and traumatizing other KIDS!
